

## Media Alert: Qualys to Host Analyst & Investor Product Briefing to Answer Questions on its Groundbreaking FREE Remote Endpoint Protection Offering

March 25, 2020

FOSTER CITY, Calif., March 25, 2020 /PRNewswire/ -- [Qualys, Inc.](#) (NASDAQ: [QLYS](#)), a pioneer and leading provider of cloud-based security and compliance solutions, today announced it will host a conference call and live webcast for analysts & investors at 2:30 p.m. Eastern Time (11:30 a.m. Pacific Time) on Thursday, March 26, 2020 to highlight its new groundbreaking [Remote Endpoint Protection](#) offering. The new solution, available at no charge for 60 days, was developed to assist enterprises as they work to meet the challenge of an unprecedented rise in the number of remote computers that need to be secured.

Due to overwhelming interest from industry & financial analysts and investors, on March 26, Philippe Courtot, chairman and CEO of Qualys along with Sumedh Thakar, president and chief product officer of Qualys, will provide a brief overview of its new groundbreaking Remote Endpoint Protection solution and answer pre-registered questions on this solution (see below).

For those who would like to attend the webcast and post questions, please register in advance at <https://www.qualys.com/2020/analysts-investors/product-briefing/>. Any unanswered questions will be replied to by email. Answers to questions and a transcript of the call will be available on the [Qualys IR](#) website.
